EDUCATION

B.Tech : JSS ACADEMY OF TECHNICAL EDUCATION , NOIDA
COMPUTER SCIENCE ENGINEERING
Expected JULY 2024
CGPA : 8.87

CLASS 12TH
MAY 2019
Army Public School ,Meerut Cantt
Percentage : 86.4%

CLASS 10TH
JUNE 2017
Army Public School ,Meerut Cantt
CGPA: 9.0

SKILLS

PROGRAMMING
- C
- C++
- HTML
- CSS
- JAVASCRIPT
- Data Structure and Agorithm
- Problem Solving
- Object-Oriented Programming System

TOOL/APPLICATIONS
- Github
- Visual Studio

OTHERS
- Team Player
- Flexible

PROJECTS

Password Generator
NOV 2023
- GitHub link: **https://github.com/AmanPal8475/Password_generator**
- Developed a Password generator website using **HTML** , **CSS** , **JavaScript** .
- The feature includes **Password Criteria Options ,Mobile Responsiveness ,Copy to Clipboard ,Random Generation , Password Length Configuration , User-Friendly Interface.**
- Followed best coding standards and practices to write clean and reusable code.

Portfolio Website
July 2023
- GitHub link: **https://github.com/AmanPal8475/Resume**
- Developed using **HTML** , **CSS** , **JavaScript** .
- The feature includes Navigation Bar, About Me Section ,Skills Section , Project Showcase , Responsive design , Resume Download.
- Responsive UI suitable for all screen sizes.

Weather App
DEC 2023 - Present
- Developed using HTML ,CSS , JavaScript ,API .
- Feature include **API Integration(**such as OpenWeatherMap, Weatherstack**) , Loading Animation , Location-Based Services , Weather Information.**
- Responsive UI suitable for all screen sizes.

CERTIFICATION

- C++ Master Course : CodeHelp
- Web Development Bootcamp : CodeHelp
- Master Recursion and Backtrack and DP: LoveBabbar

ACHIEVEMENTS

- Solved 360+ DSA question in C++ on Geeks For Geeks
- Earned 1350+ coding score on GFG .
- Solved 200+ DSA question in C++ on Leetcode.
- Silver Badge (4 star) on HackerRank in Problem Solving
